FoDL News

A big thank you to everyone who entered our parish photo competition. This year's entries were of excellent quality and very varied, including pictures from several new entrants to the competition. The calendar, the library's major fundraiser, is now in production and we will be debuting it at the farmers' market on 28 September. Take your pick from two sizes, at £10 and £7.50. As always, we are most grateful to our generous sponsors. Bryn Williams abw@brynwilliams.com

From the Library

Wow, Wow, Wow! What a wonderful activity and craft day we had on 1 August . More than 125 people came through the library doors and our castle is now built. Thanks to everyone who contributed their boxes, loo rolls, etc to build it. We had activities inside the library, including a sale of surplus books and, outside, in our little courtyard ,we had painted a blackboard on the wall which was a great success. My thanks go to all the volunteers who generously gave up their time to help on the day. There is still plenty of time to collect the stickers and badges for the Summer Reading Challenge, which continues until 7 September. I look forward to going to the school to present the certificates and medals to everyone completing this year's challenge. Thank you for your continuing support.
