FoDL News

A big thank you to the new subscribers who have signed up since our appeal earlier in the year. It is much appreciated, whether you sign up for a monthly commitment or a one-off annual subscription, your support makes such a difference to keeping the library open.

As July approaches, we have only a month to go to our 4th August photo competition deadline. We've already received a wide variety of images, with some never seen angles from in and around the parish, you've got the whole month to get out there and shoot your prize-winning entry.

As usual, pictures should be in landscape format, no less than 5mb and in .jpg format. Please send to me at the email address below. Thank you and good luck.

Thank you.
