From the Library

A Happy New Year from all at the library!

2025 is set to be an exciting year with lots planned for activities in the library – our Lego club starts on the 13th January! It will be held every Monday from 3.30 to 4.30 pm, aimed at children ages 4.5 and over it is great fun – children do need to be accompanied by an adult. Find the 'Friends of Deddington Library' on Facebook for regular updates on what's happening in your village library!
